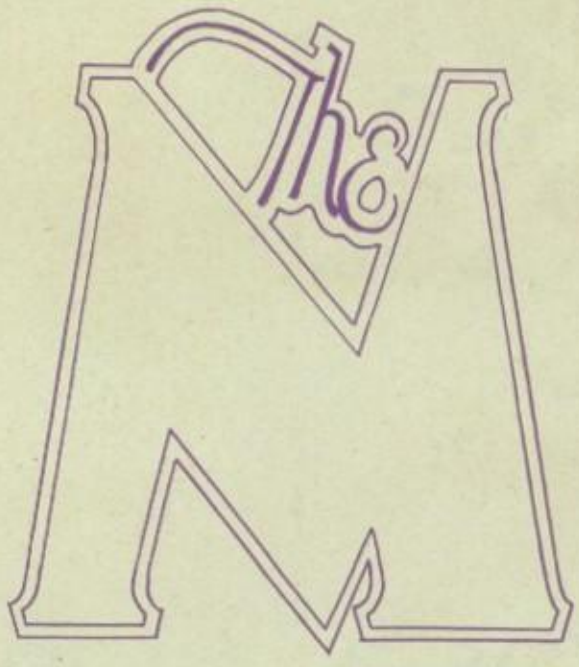
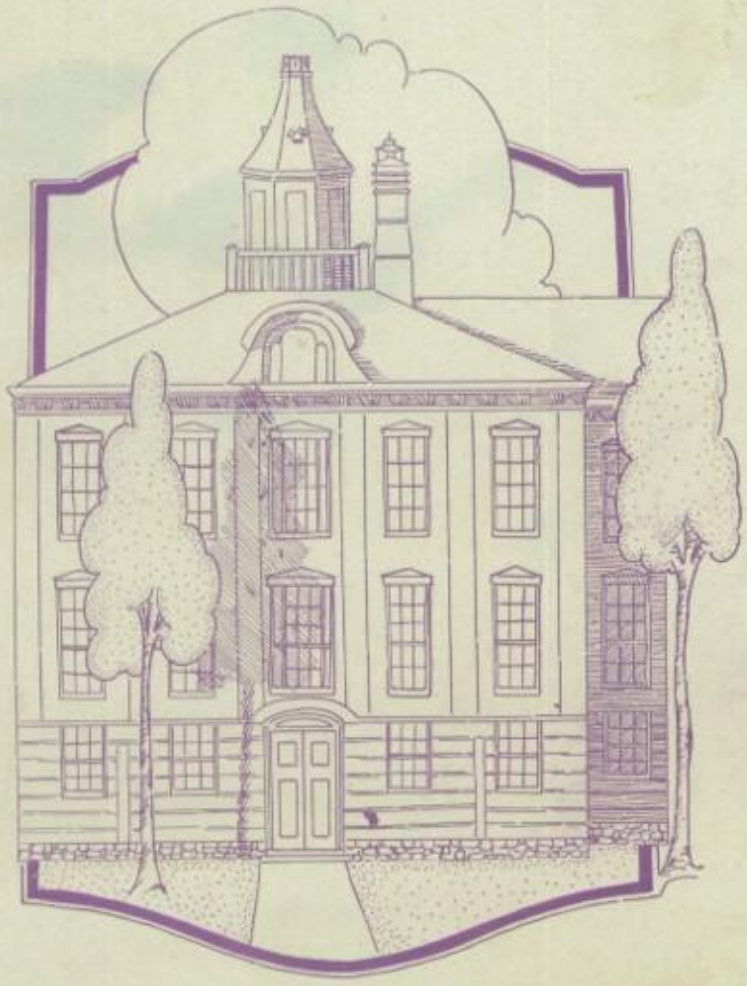
First School in Moline

Early in the history of Moline the citizens of the future city decided that their children should be provided with a good education. The first school was constructed in 1843, when Moline was still a mere village consisting of a few houses and a general store.





First High School

The second major step in the development of Moline's educational system came in the year 1873 when the citizens of the growing town decided to build a high school to provide for the higher education of their children. The structure was damaged by fire three years later but was afterwards rebuilt. Since that time, however, it has been unchanged and at present houses Washington School.

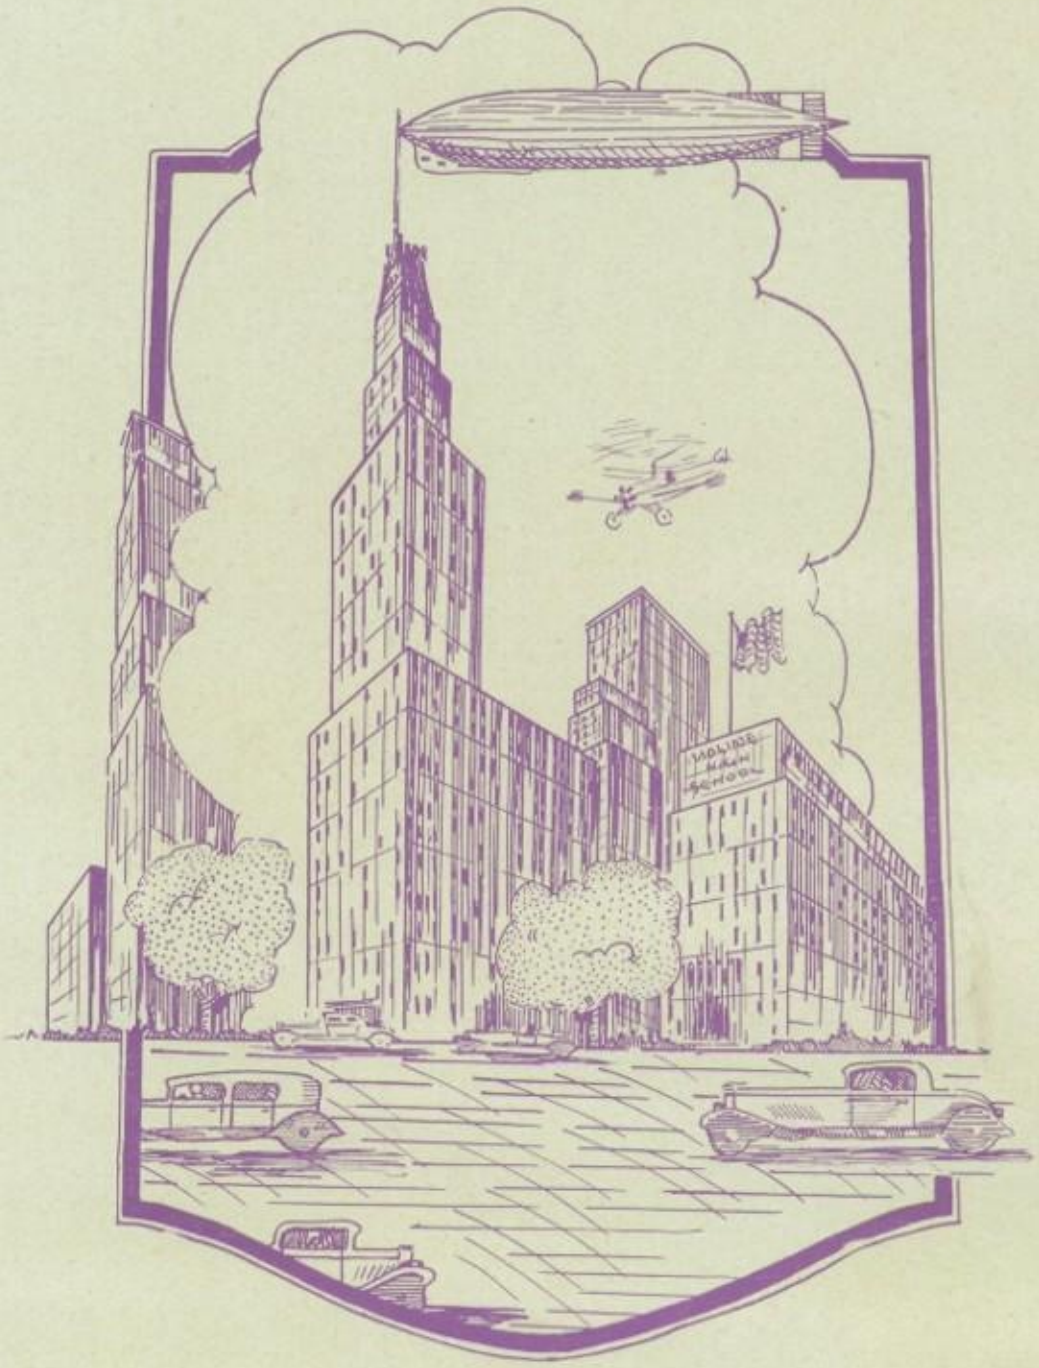
Second High School

By 1894, the high school built twenty years earlier had become too small to adequately supply the needs of the students, with the result that a new structure was erected. That building, now known as Central Grammar, served its purpose until 1915, when its crowded conditions necessitated the building of the present high school. In the past few years Central Grammar, considered a large school at the time of its construction has proved itself even too small to accommodate the eighth grades of the city.

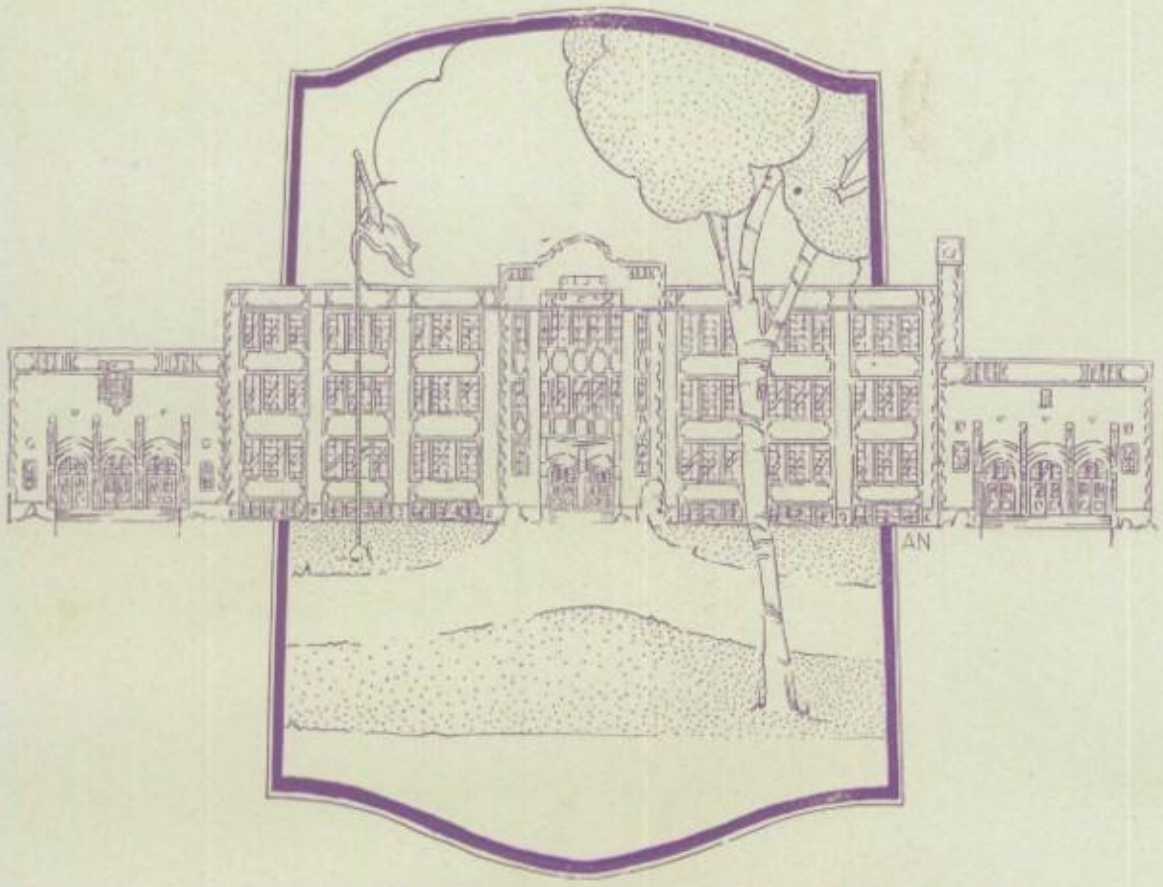
FOREWORD

The purpose of this book is to portray in a concise and interesting manner the activities and life of Moline High School during the school year 1930-1931. To accomplish this a historic theme showing the progress of the school has been used. The staff this year has met with many obstacles, but these have been overcome and the result of our labor is here. If it meets with the reader's approval we shall consider the purpose of this volume fulfilled.



DEDICATION

To the spirit of progress that has characterized Moline's educational system and to those through whose unselfish effort this system has been and is being developed, is this, the 1931 "M," most respectifully dedicated.



John Deere Junior High

One of the greatest changes and improvements in the history of Moline's school system came about this year with the opening of the new John Deere Junior High School. The high school had become so overcrowded that it was unwieldy and so it was decided that, rather than construct a new high school that would only aid one school, a new junior high school should be built that would not only relieve the congestion of the high school but would also somewhat aid the grade schools of the city. The result is the John Deere Junior High which is simply another step in the development of our educational system.

Present High School

The present home of Moline High School was constructed in 1915, when the Central Grammar building became inadequate. Since that time the enrollment has practically doubled and every inch of available space has been utilized. This congested condition was the main factor leading to the construction of the John Deere Junior High School. This building will greatly relieve the Senior High and will enable it to continue in its present capacity for at least another decade.

FACULTY

E. P. NUTTING
PRINCIPAL

The organization of the Junior High Schools this year was a forward step in Moline's school system. It not only marks a decided change in the work of the seventh, eighth, and ninth grades, but also in the Senior High School conditions.

Although the John Deere Junior High and the Central Grammar Junior High began operation this spring, about fifty students classed as 9B's entered high school. Next fall, however, only students in the three upper high school classes will attend the Senior High School. This means that about eight of the high school teaching staff will have to be transferred to the Junior High Schools.

A change from a four-year course to a three-year schedule in the Senior High School will naturally change graduation requirements. Twelve units and 120 credits will be required for graduation, and entrance to college for graduates in June, 1934, and thereafter, will require the completion of twelve units. Twelve units will mean the carrying of four solids throughout the course.

Next fall, for the first time in many years, every teacher in the Senior High School will have a room of his (or her) own; every student will have a separate locker; our Biology rooms will be adequate for the classes; there will be no congestion in the cafeteria; and we probably will not have to use the auditorium for study purposes.

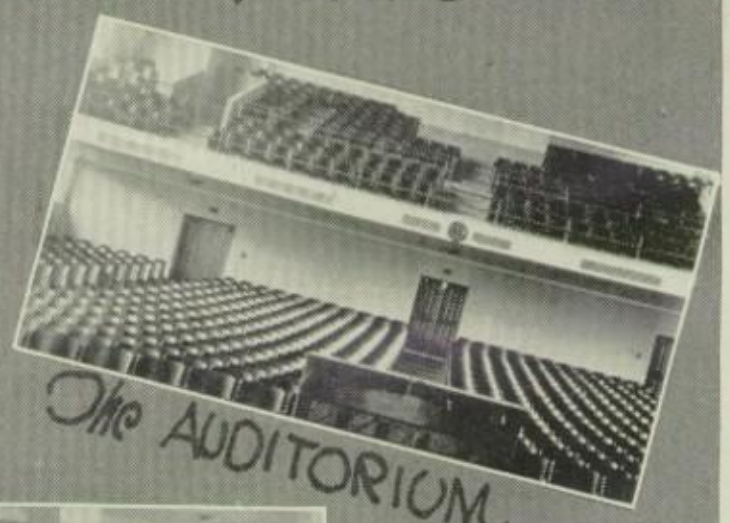
JUNIOR HIGH VIEWS

The STAGE



The AUDITORIUM...

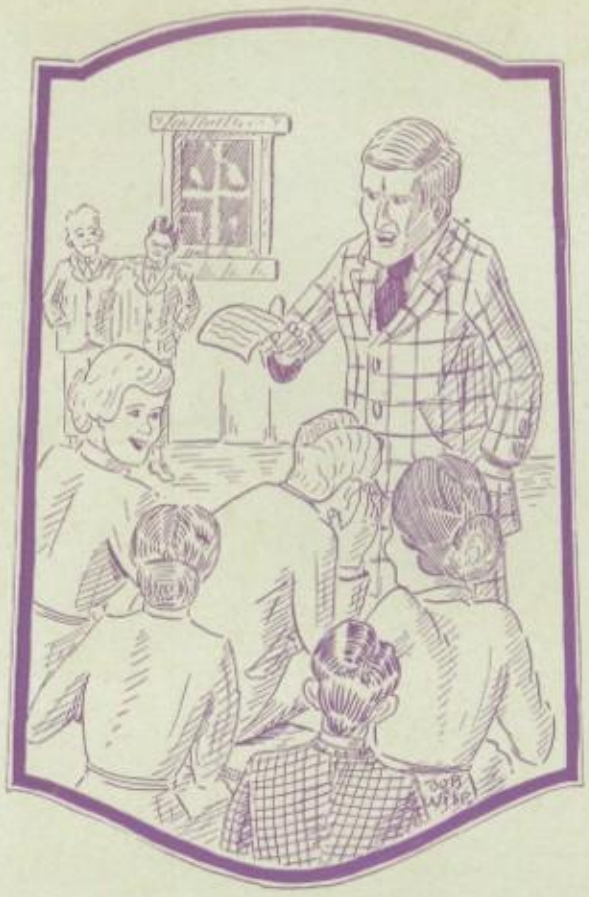
The CAFETERIA...

The OFFICE

The CORRIDOR

The first extra-curricular activities of the school were debating and declamation which had their beginning early in the life of the school. Since that time many other activities have found their way into the school until at the present time almost every student has a part in some outside activity.

ACTIVITY



The first organizations of Moline High School were of the literary or debating type and had their beginnings as early as 1874. Most of these, however, were of a temporary nature, lasting only a few years. The first of the now existing organzations to be founded was the Athletic Association, organized in 1897. Since that time many apparently strong organizations such as French, German, Latin, Science, and Dramatic Clubs have come, flourished, faltered, and died, while others of a more permanent nature have been established and still exist.

ORGANIZATIONS

Rear Row—Lindahl, Hodson, D. Lindburg, Brown, De Wolf, Stein, Crockett, Jones, Adviser; Lunde, Sample, Silver, Suss, Ekstrom, Pearson, Beveridge, Douglass.

Middle Row—Luchman, Esterdahl, J. Linnberg, Hjerpe, Andrews, Carlson, Zaiss, Kruzan, Atnip, Dustin, H. Irwin, Ohlsen, Sullivan.

Front Row—Schwiebert, Schnaufer, Winkler, Hartman, Palmer, Waller, Boquist, Schaible, Van Brunt, D. Irwin, Lind, Kirby.

FELLOWSHIP CLUB

OFFICERS

Orla Pedersen.....*President*
Alvin Andrews.....*Vice-President*
Carl Ekstrom.....*Secretary*
Bruce King.....*Treasurer*
Truman N. Jones.....*Adviser*

One of the leading organizations of the school is the Fellowship Club. Any full-fledged senior boy is eligible for membership. The club endeavors to promote a better knowledge of fellowship and general welfare and meetings are held once a month. There are nine of the meetings, each of which is presided over by a program chairman and committeemen who are selected at the beginning of the semester. The outstanding meeting of the year is when the Girls' After Dinner Club meets with the Fellowship Club for a dinner dance. A minstrel show is presented each year by the members of the club, this year's show being one of the outstanding dramatic productions of the year. Mr. Truman N. Jones deserves much credit for directing the boys through the year's success.

Third Row, left to right—E. Anderson, M. Johnson, Wagner, M. E. Brown, Kennedy, Wood, Pearce, Chapman, Liebendorfer, H. Wilson, Schowalter, Clark, E. Peterson, E. Pearson, G. Johnson, B. Johnson, Christenson, M. Ringquist, Nagel, A. Ringquist, Duncan, E. Swanson, L. Hoff, V. Swanson.

Second Row, left to right—Carlson, D. Peterson, Davis, A. Anderson, Stenzel, Young, Robinson, Gibbs, Montgomery, Erickson, Butter, Berry, Krone, Killpatrick, J. Johnson, Thompson, Pollock, Gustus.

First Row, left to right—Babe Johnson, T. Anderson, Hardin, Helen M. Johnson, D. Anderson, B. Hoff, Bozeman, Pope, Baskin, V. Anderson, Zarada, G. Brown, Ruby Hall, Smith, Ruth Hall, Gustafson, Kuehnel, Kohlhase.

AFTER DINNER CLUB

OFFICERS

Marie Mueller.....*President*
Gladys C. Johnson.....*Vice-President*
Marybelle Thomson.....*Secretary-Treasurer*
Miss Lind, Miss Day.....*Advisers*

This club is made up of the senior girls. Meetings of the organization are held on the third Thursday of each month in the M. H. S. cafeteria. A program chairman provides a speaker and a program for each of the meetings. Chairmen for the meetings were: Genevieve Brown, Margaret Mulligan, Dorothy Hardin, Marie Ringquist, Helen Marie Johnson, Billie Bozeman, and Pearl Stenzel.

Two of the outstanding meetings of the year are those when the Mothers are entertained at the "Mother and Daughter's Banquet," and that in May when a joint meeting is held with the Fellowship Club at an after dinner dance.

This year the club presented "The Charm School" an unusually successful play coached by Miss Barbara Garst. The advisers, Miss Lind and Miss Day, are to be congratulated on the achievements of the year.

Fourth Row—Mr. Barnett, Rodgers, Trevor, Waffle, Beitel, Ohlsen.
Third Row—Jamieson, Carlson, Miller, Oberg, Steiger, Raub, Barton, Shearer.
Second Row—Freeman, Prignitz, G. Anderson, Fiske, Kruzan, Lundell, Setzer, Pierce.
First Row—Lundahl, Wright Thornbloom, Bell, Watt, Remelin, Kellogg, Green.
Not in Picture—Pitcher, H. Irwin, Douglass, Roach, Wynes.

BAND

The band, one of the musical organizations directed by Mr. Barnett, holds its meetings twice a week for one period. All students are eligible for membership. The band plays for all home football games and this year it played also at Monmouth and Davenport. A concert was given at the opening of the John Deere Junior High School. When attendance and ability warrant, members are chosen from the organization for a special concert band which makes appearances before the Rotary Club and the assemblies of the Junior High Schools.

Rear Row—Shearer, Holder, Martin, Welander, Curtis, Bell, Mr. Barnett, Randall, Black, Ohlsen, Kellogg, Lundell, Kruzan, Trevor.

Front Row—Wilson, Peterson, Carlson, Wendell, Limburg, Ohrstrom, Eckhardt, Ethel Peterson, Prignitz, G. Anderson, Lundahl.

Not in Picture—Alice Wendell, Whitmarsh, Lund, Ben Miller, H. Irwin.

ORCHESTRA

Any one registering for orchestral work is eligible for membership in the Moline High School orchestra. Practices are held once a week after school for a double period. Under the direction of Mr. Barnett the orchestra has made remarkable progress, having appeared at commencement and at several scheduled assembly meetings. Credits are given for membership in the orchestra if attendance and work are kept up to standard. The valuable experience and training received in the orchestra are a great help toward appreciation and mastery of music.

Back Row—Johnson, Ahlene, Crawford, Erzinger, Ethel Peterson, Krebs.
Fourth Row—Axene, Huey, Anthony, Freeman, Ransom, V. Carlson, Hrusovar.
Third Row—Nelson, Moran, Lundberg, Lydick, McDannell, Dorothy Swanson, Pearson, Erickson, Alldridge.
Second Row—Krone, Thomas, D. Thomas, Erickson, G. Frasier, I. Carlson, Benson, Eckright.
First Row—Kilpatrick, Anderson, Schofer, Johnson, Bradley, Anderson, Hull.

ADVANCED GIRLS' GLEE CLUB

The Advanced Girls' Glee Club is composed of girls who have had previous training in vocal work. It is from this club that the lead for the annual operetta is usually chosen. The club also makes other formal appearances. This year under the able direction of Miss Dunlap the club sang at Commencement, at the First Congregational Church, at the Woman's Club, and at the Fall Concert.

This is the leading glee club of the school as it has in its membership only those girls with vocal experience. At every appearance it meets with the unanimous approval of the audiences.

Fifth Row—Brown, H. Metz, M. Kirk, V. Anderson, V. Pearson, Harsch.
Fourth Row—De Baker, Brady, Hedstrom, Gustus, Lusty, Swanson, Wendell.
Third Row—Blomquist, Gustatson, Granquist, Young.
Second Row—Nordquist, Johnson, Miller, Hill, Kroeger.
First Row—Erickson, Nelson, Matthews, Tubbs, Hamilton, Nixon, E. Johnson, Kirk, Larimer.

BEGINNING AND INTERMEDIATE GIRLS' GLEE CLUBS

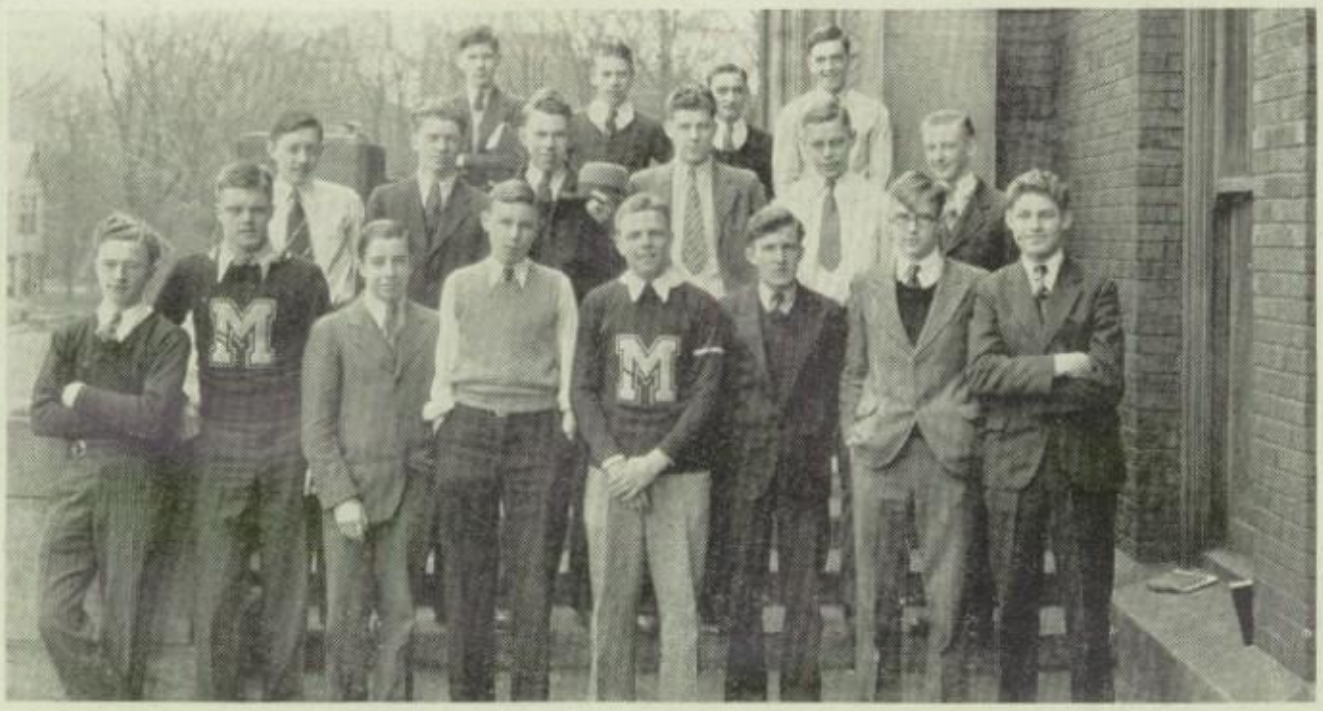
Girls wishing to secure foundation training in music are eligible for membership in the Beginning Girls' Glee Club. This club furnishes the material for later advanced clubs. The size of the club speaks well for future successes in Moline High School musical work.

Organized in the fall of the year 1925, the Intermediate Club is well supported by intermediate girls. All girls who are not ready for advanced work and yet have had some preliminary training are eligible. The fine training given here makes it possible to have a better Advanced Club.

Rear Row—Sample, Settle, Harkcom, Heeren, Anderson.
Middle Row—Kough, Porter, Jump, Miller, Trevor.
Front Row—Nelson, Pearson, Bredt, Cook, Carlson.

THE BOYS' GLEE CLUB

All boys interested in singing are eligible for membership in this club. They are organized into one large class and are capable of giving strong support when joined with the Girl's Advanced Glee Club during a concert. This was clearly shown in the concert of this year. Training of the voice is begun in this class and those who can not read music acquire the ability to do so. Although no operetta was given this year, the club enjoyed a very pleasant and worthwhile season. This club is under the direction of Miss Dunlap.



Rear Row—Baum, Hammerquist, Andrews, Irwin.
Middle Row—Hageboeck, Beveridge, Bohman, Gilbert, Hallberg, Magnuson.
Front Row—Dustin, Larson, Lewis, Brown, Pearson, Douglass, Schwiebert, Van Brunt.

VISUAL EDUCATION

Dolph Lain.....*Manager*

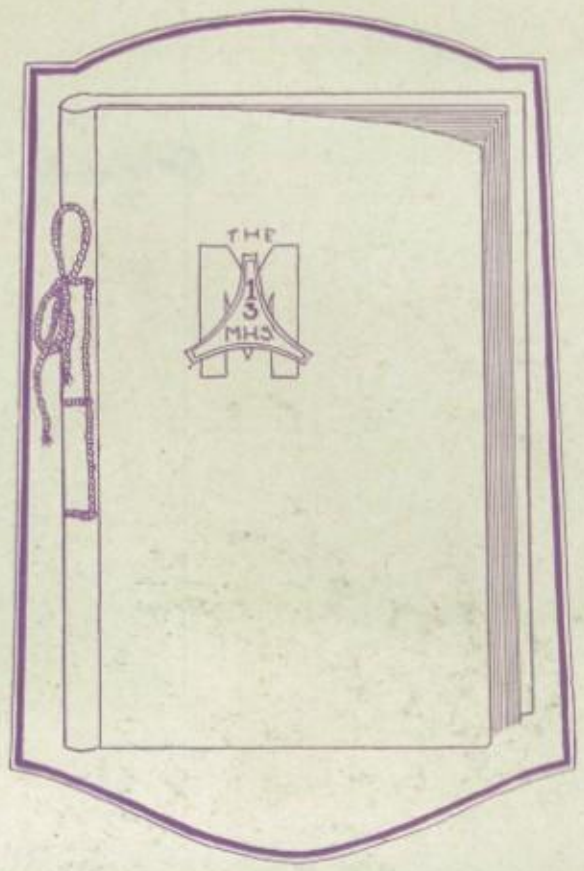
Visual Education work this year has assumed a large place in the educational facilities of the school. A large group of boys carry on the work of operating the machines in conjunction with their regular work in school subjects. These boys show pictures both in Moline High School and in Central Grammar. From one-half to two credits are given for the work. Credit is given in proportion to the amount of time spent in operating the machines.



The first publication to be put out in Moline High School was the "M" first published in 1913. The "Line-O'-Type" had its beginning in 1917 as the school paper.

EDITOR'S NOTE

When school commenced last fall I had made plans to produce not only the largest but the best annual ever turned out. However, as time wore on I was forced to turn from my dream castles to the grim reality and found that, due to the financial depression, it would be necessary to cut expenses nearly one-fourth from last year's outlay. My hopes of building a larger book immediately fell. But I still clung to the theme that I had planned on and it was through the efforts of the Art Department that this was carried out in its present form.

It was only by means of the fine co-operation of the staff, both editorial and business, that it was possible to put out a book of the present size and value. We have tried to make this year's "M" entirely different from its predecessors and, in spite of financial difficulties, have tried to make it better. As you look through these pages we hope that you will realize the vast amount of effort used and the obstacles overcome in making it a reality.

One of the largest organizations of Moline High School is the Literary Association. All students who have purchased Literary tickets are members of the association. Some of the outstanding events sponsored by this association are two afternoon dances, debates, and declamation. The Literary Banquet held on May 13, was the largest in the history of the association. The Line O' Type, weekly school paper, is also sponsored by the Literary Association. THE SCHOOL LITERARY ACTIVITIES

The fact that literary activities are appreciated in Moline High School is well illustrated by the large number of different activities. Starting out with girls' declamation in the early fall, many entertainments and contests of a literary nature are given.

Besides girls' declamation there are boys' oratorical contests, debates, and extempore contests. This is the first year that orations instead of declamatory selections were used by the boys. All of these different activities prove very interesting, and audiences have increased within the last few years.

The dramatic season always opens with the Junior Play in late November, or early December. Following this production and coming in varying sequence are the Senior Play, the After Dinner Club Play, and the Fellowship Minstrels. Every two years a play is also given by the Latin Department. All these performances are attended by large crowds and the general feeling is that the acting is unusually good for amateur performers.

These various activities play an important part in the school life and offer every student an opportunity to improve his speaking ability.

GIRLS' DECLAMATION

The local girls' declamation contest was won this year by Eunice Erickson with her negro spiritual reading, "The Glory Car." Marceil Lydick giving "Jane Ann" received second place, and Jenese Lethin rendering "The Sweet Girl Graduate" placed third. The other three members chosen to make up the team were Shirley Frank, Jane Hvitfeldt, and Helen Jean Lundberg.

The triangular contest was won by Rock Island. One-half of the team took part in the contest with Rock Island. Eunice Erickson took first place, but Moline lost by three points. The other half of our team also lost in their contest with East Moline, but Helen Jean Lundberg succeeded in taking third place.

Eunice Erickson who was chosen to represent Moline in the Big Nine contest at Galesburg, won second place, first going to Rock Island.

BOYS' ORATORY

For the first time in the history of Moline High School, a boys' oratorical team was chosen. The local contest was won by Jack Railsback, a freshman, who gave "Spartacus to the Gladiators." Lloyd Schwiebert placed second with his oration, "The Prince of Peace," and Kene Crockett giving "The Farmer in the Cities" placed third. The other members chosen were Max Roth, James Rainey, and Lucien White.

Moline lost a dual contest with Rock Island, but defeated Davenport by a fairly large margin. Our Big Nine representative, Jack Railsback, tied for fifth place at Kewanee, first place going to Geneseo, and second place to East Moline.

Since five of the orators graduate this year, there will be a good chance for speakers to make the team next year.

DEBATE

The question for debate this year was: "Resolved: That recent tendencies in installment buying as developed in the United States should be condemned." The negative team was made up of Chester O. Johnson, captain; Max Roth, Irene Johnson, and Jenese Lethin. The personnel of the affirmative team was Lucien White, captain; Blanche Hufford, Max Hunn, and Mary Frances Bozeman.

The debating plan in the Big Nine circles differed this year from that of former years. A two-man team took the place of the familiar three-man team of the past. However, each squad consisted of four members, two serving as alternates. Since every member spoke in at least one contest, each received an "M".

On March 17, the first Big Nine debates were held. The affirmative suffered a defeat from East Moline on the enemy's platform, but the negative scored a victory over a veteran Rock Island team. Although each of the schools had won one debate and lost one, the addition of the scores showed that East Moline won first, Rock Island, second, and Moline, third in this triangle. This put Moline out of the running for Big Nine points. However, the teams engaged in several other contests. The affirmative team was rebuffed by Rock Island' negative team in a contest there on March 24. Our negative and affirmative teams met Geneseo's teams in two non-decision debates.

The reserve teams tested their teeth on Rock Island's reserve teams in non-decision contests. With the second teams back again next year strengthened by experience of the past season, prospects for a good year in 1932 are excellent.

EXTEMPORE

On April 14, the local extemporaneous speaking contest was held in the High School auditorium, in which eleven persons took part. Keene Crockett won first place, Max Roth, second, and Chester Johnson took third. Other members of the team were Lucien White, Kenneth Walker, and Billie Bozeman.

On April 20, the team went to Rock Island for a dual contest where the Moline speakers won by a score of 138-98, low score winning. At this contest Moline took the first five places. Kenneth Walker won first, Keene Crockett, second, and Lucien White, Max Roth, and Chester Johnson tied for third.

The Big Nine contest was held this year at East Moline. Moline's representative, Keene Crockett won fourth place. Galesburg placed first, while East Moline and Rock Island won second and third places respectively.

THE SENIOR PLAY

Synopsis

"Florrie" Ricks, beautiful daughter of Cappy Ricks, the multi-millionaire president of the Blue Star Lines, is interested in saving the souls of pygmies. She is bored, however, and when John Skinner, Ricks' right hand man, fires the bookkeeper, Florence takes his place.

Alden P. Ricks, possessor of a rough exterior and human earthquake characteristics coupled with a heart of gold, is worried over the whereabouts of his ship "The Retriever," which carriers a valuable cargo. Captain Matt Peasley has put himself in charge of the ship and "Cappy" retaliates by sending a big Swede captain to "lick" Peasley.

Cecil Pericles Bernhard, the son of Ricks' best friend and a typical English dude, has fallen in love with a chorus girl, Goldie Glake, and in order to break up this romance his father has sent him to "Cappy" to learn the shipping business. Cecil meets "Florrie" and she agrees to help him find his sweetheart, who has come to California, by pretending she is in love with him. Bernhard is put to work on the "Sweet Clover," a fertilizer boat.

In the capacity of bookkeeper "Florrie" meets Captain Matt Peasley who has successfully defied her father. Peasley wants to set up a business for himself and "Florrie" decides to back him. She tells him her name is Goldie Glake. They form a shipping company, the Red Diamond, and make Ricks generally uncomfortable.

A complicated situation arises when Peasley and Cecil Bernhard meet, and the latter confesses his love for Goldie Glake. Ellen Murray, Mr. Ricks' secretary, is discovered to be Goldie Glake, and she and Cecil are married. "Florrie" and Captain Peasley have broken because of Cecil's disclosure, but they are reconciled through the efforts of Aunt Lucy Ricks, the sister of "Cappy." Being urged by Skinner, Captain Peasley allows "Cappy" to think that he has ruined the Red Diamond. This allows "Cappy" to retain his position as lord of the shipping business and as the curtain falls everyone is happy.

THE JUNIOR PLAY

Synopsis

The play has as its theme the trials and troubles of a family of moderate means, the Hellers. Joe Heller, the head of the family, is a street car inspector who believes his family doesn't fully appreciate him. Emma Heller, the well meaning mother, is interested solely in the welfare of her children. Annabelle, her younger daughter, is a constant trial with her piano practising. Willie, her son, a lazy seventeen year old boy who thinks himself sophisticated, is faultless in her eyes. Mrs. Hellers' one big ambition is to get Louise, her elder daughter, happily married. Louise becomes secretly engaged to Charles Grant, a young man of promise.

A boat trip is planned and Mrs. Heller packs an elaborate lunch in order to make a good impression upon Charles. Their silver and best manners are brought out for the occasion. Mrs. Heller tells Charles of Louise's good prospects and talks of their wealth for the purpose of showing him her daughter's desirability. Miss Callahan, the dressmaker from the apartment below, congratulates him and asks him when the wedding is to be. Charles fears that he cannot make Louise happy because he cannot give her the things she is used to. He explains to Louise who immediately realizes that her mother has been talking too much to Charles. She breaks the engagement and plans to go away.

Joe Heller now decides to step in and save his daughter's happiness. He gets Charles back to the apartment through the simple process of telling him that Louise doesn't want to see him. Next he informs his wife to keep quiet and let him handle everything. Mrs. Grant, Charles' mother, comes to help straighten out affairs. Mrs. Heller, urged on by her husband, confesses that she has enlarged upon their financial condition for the purpose of making her daughter desirable to Charles. Louise and Charles are reunited, and the Hellers go on peacefully quarreling among themselves.

AFTER DINNER CLUB PLAY

Synopsis

The first scene is laid in the rooms of five young men who live together. Austin Bevans, one of the young men, inherits a girls' boarding school from his aunt. The school, however, is heavily mortgaged and Homer Johns, who holds the mortgage, permits Bevans to assume charge only on condition that he retain Miss Hays, the former wife of Johns, as second in command, and he threatens to foreclose if any of the girls of the school should fall in love with Bevans. Austin and his four colleagues, Jim and Tim Simpkins, George Boyd, and David MacKenzie, set out to teach the girls charm.

Jim and Tim immediately proceed to fall in love with George Boyd's sister, Sally. Miss Curtiss, the school secretary, becomes devoted to Austin. Elise Benedotti, niece of Homer Johns, falls in love with Austin. The climax comes when she runs away and Austin goes after her to bring her back. Johns finds out about his niece's infatuation and proceeds to foreclose on the mortgage. Bevans finally succumbs to Miss Benedotti's charm and all ends peacefully.

SOCIETY

THE SOCIAL SEASON

The first event on the social calendar this year was the Literary Dance which was given on Wednesday afternoon, September 24. About two hundred and fifty attended, which was a good crowd considering the fact that the dance was a matinee affair. The music was furnished by the Mississippi Night Hawks' Orchestra. The introduction of Eskimo Pies was something new for a Literary Hop, and judging from the number of pies consumed the idea must have been a good one.

* *

The first class party of the year was given by the Juniors in the form of a Hallowe'en party on October 28. A short play "Sauce for the Goslings," was given in the auditorium, after which program the crowd adjourned to the gymnasium where dancing was enjoyed for the rest of the evening. The gymnasium was decorated according to the traditions of the season.

* *

On November 1, the Freshmen gave their first class party of the season. It was a Hallowe'en party and all the guests came costumed accordingly. A short play entitled "The Sweet Family" opened the party. The rest of the evening, until 10:30, the guests danced to the strains of the music furnished by the Mississippi Night Hawks.

* *

A barn dance, given on November 7, was the Sophomores' first class party. About seventy-five students attended the party, garbed in rustic attire in keeping with the idea of the party. After a short program in the auditorium, Stanley Nelson's Orchestra furnished music for the dancing in the gymnasium.

* *

The Freshmen gave their second class party on December 5. After a short program in the auditorium, the party trooped to the gymnasium for dancing. Light refreshments were served at intermissions. Stanley Nelson's Orchestra supplied the rhythm for the evening.

* *

The Seniors' first class party was given on December 6, with a fair attendance. The customary program was omitted, but the music and the dancing more than made up this omission. Taffy apples were served as refreshments to the tired dancers. Although few were present, those who were there enjoyed themselves thoroughly.

The second Literary Hop, held on Wednesday afternoon, January 4, proved to be much more successful than the first one. About two hundred Literary Association members attended. Eighth graders, as well as High School students, danced to and fro over the slippery mealed floor of the gymnasium until 6 o'clock, refreshing themselves at intervals with Eskimo Pies. The music was furnished by Stanley Nelson's "Gloom Chasers."

* *

On St. Valentine's Day the Freshmen participated in the most successful party of the season to which the Sub-freshmen were invited. The main feature of the program was a group of four short movies, two of which were the popular "Felix the Cat" comedies. Another interesting event of the evening was the balloon dance. The gymnasium and many boys' ankles were gaily decorated with the gaudily-colored spheres. Music was furnished by Ben Miller's Orchestra. Instead of the customary refreshments, Eskimo Pies and frozen Milky Ways were served. The lights "blinked" at ten o'clock to remind the happy guests to leave. The '34 class will long remember its hilarious party on St. Valentine's Day.

* *

On Friday, April 17, the 33's held a most successful class party, about seventy-five students attending. An exceptionally good program consisting of a chalk talk, solos, an old-fashioned parade, and readings gave the party a good start. Dancing in the gymnasium furnished the rest of the evening's entertainment. A new idea was introduced by substituting a phonograph with a supply of popular records for the customary orchestra.

* *

On May 9, the Juniors gave their annual party for the Seniors. It was one of the most unusual and novel ideas ever presented at a high school function. The "under sea" motive was carried out in all the decorations. The ceiling of the gym was draped with pale green cloth representing the "sea." A profusion of fishes and sea animals were hung down from the waves. Row boats and rocks bordered the gym. Games of keeno and bunco kept the non-dancers occupied. A variety program was given between the dances. Trave O'Hearn's Orchestra furnished dance music from the hulk of an old sunken ship. The party lasted 'till midnight.

* *

The A. D. C. Fellowship party took place on May 22, and was a fitting climax to the social year. It was a sports-dinner-dance. First a banquet was served in the cafeteria, with Ellwood Winkler acting as toastmaster. Following this a program was given. The rest of the evening was taken up by dancing in the gym, for which the music was furnished by Johnny Day's Orchestra.

MOLINE FIELD HOUSE

Inter-school athletics of Moline High had their beginning early in the nineties. The first teams, however, were unofficial and were generally composed of townsmen as well as students. In the early years of the twentieth century more stringent rules were made permitting only students of high scholastic standing to play. In 1910, Browning Field was given to the city and since that time it has been used as the Moline ball park.

The Moline Field House, dedicated in December of 1928, was largely constructed with proceeds from bonds purchased by school children. It is one of the finest buildings of its kind used by any high school in the mid-west.

The largest and oldest organization in school is the Athletic Association. It was founded more than thirty years ago and has grown in both strength and importance until now it leads all the other organizations of the school. Any purchaser of either a football or basketball season ticket is considered a member. The organization, under the direction of Mr. Holmgren, sponsors all the boys' athletics including varsity and inter-class sports.

SENNEFF HOLMGREN

The great success of Moline athletic teams is not because of the fact that more unusual material is found here than in other schools of equal size but because of the excellent staff of coaches and the efficient manager in Moline High School.

C. W. Holmgren, better known as "Winnie," has managed athletics here since 1920, and has been the big factor in making such fine schedules and bringing powerful opponents to meet the Moline Maroons. He is also the dominating figure guiding the destinies of the Field House, and it was largely through his efforts that that structure was erected.

George F. Senneff also took up his duties as head athletic coach in the fall of 1920, and since that time has produced many powerful football and basketball teams, placing Moline High School's athletic standing high among schools throughout the state and the Middle West. Coach Senneff has also produced a number of gridiron stars who, during their college life, have gained national fame and brought honor to their high school and former coach.

William Bean took up his duties as line coach for the football team and assistant track coach in the fall of 1927. He has built powerful lines that could hold against much heavier opposition. The remarkable success of Moline's track teams in recent years is largely due to Coach Bean, who starts working on the raw material in early spring and by the time the first track meet rolls around, the squad is in almost perfect shape.

William Lane and Roger Potter began their work as assistant athletic coaches last fall, taking charge of the reserve football and basketball teams. The success of both of the reserve teams speaks well for the coaching of Mr. Lane and Mr. Potter, and also assures the success of Moline's teams for the next few years. In addition to his coaching duties, Mr. Lane managed the Intramural Basketball tournament this year in which many boys of the school took part.

Pitted against some of the strongest elevens in this section of the country, Coach Senneff's gridiron warriors kept up the Moline High School reputation by winning seven out of ten games and the Big Nine Conference championship. This was the first year that this championship was at stake, the Maroons winning it by virtue of five victories and no losses in conference play.

The entire team played as a unit, each player holding down his respective position perfectly, and it can not be said of the 1930 eleven, that it was a "one man team."

The players battled hard and exhibited fine sportsmanship on every occasion. Memories of the 1930 football team will live long in Moline High.

The 1930 grid aggregation got off to a good start by defeating East Moline 18-0. The Orange and Black fought hard throughout the game and showed remarkable strength particularly in the first quarter but the superior power of the Maroons showed itself and they managed to conquer their neighbors from the east. The game was played under lights and was the first night football game to be played here.

After two weeks of hard practice Moline met Dubuque in a second night game. The Maroons played brilliantly, taking the Iowans off their feet from the very beginning so that the reserves were used throughout the last half. The entire team played a very good game, the blocking being exceptionally good.

A week later the Maroons went to Galesburg for their second Big Nine test. Playing the game during an intensely hot afternoon, the two teams were unable to show much speed. The 'Burgers, considered the underdogs, fought hard but could not resist the powerful attack of the Moliners, with the result that they had to be content with the short end of a 19-0 score.

The following Friday night Kewanee furnished the opposition in the third conference game, played on the Kewanee field. Moline carried the ball over the line early in the game but, due to some unknown reason, the ball was taken back and the score did not count. For the rest of the game both teams played whirlwind football but the Maroons were too strong for the Boilermakers and nosed them out by a single touchdown.

The next game, with Davenport, brought the first defeat of the season and was the most discouraging one of the year. From the very beginning the Maroons seemed to get all the bad breaks and, though they made more first downs than the Red and Blue and had the ball within five yards of the goal twice, they seemed to lack the punch necessary to score. The Iowans, on the other hand, were in top notch form and were twice able to score.

The following game also brought defeat, this time at the hands of Rockford. Playing before a huge "M" Men's Day crowd, Moline played hard but proved no match for the heavier and more experienced Rockford eleven which was successful in scoring touchdowns three times. The Maroons' sole marker came late in the last quarter and saved them from a shutout.

The crucial game of the year came the following Saturday when Moline met Monmouth at that city. Both teams had won three and lost no conference games, while Monmouth also boasted of being undefeated in several seasons. The game was hard fought from beginning to end, neither team having any great advantage. However, Forslund scored on a lateral pass and made the sole marker of the day. This victory fairly clinched the conference title for Moline.

Rock Island, with one of the most unimpressive records in years, furnished the opposition the following week end. Though the Crimson tried desperately, their efforts were in vain and the Maroons led 19-0 at the end of the half. The reserves were sent in during the last half and managed to score six points more, but in the last quarter it was all that they could do to keep the Islanders from scoring in a brief rally.

Meeting Decatur the following Saturday, the Maroons played a wonderful game in every way and were only nosed out in the last few moments of the game. The score was tied 6-6 until a trick play carried the ball over for the winning marker.

The usual Thanksgiving Day game brought Moline together with the undefeated Johnston City eleven of Southern Illinois. The field was covered with snow and the day was so cold that only a meager crowd turned out for the fray. Early in the first half Johnston City got the ball and kept it almost continually throughout the half, their heavy team pushing the Maroons around at will and scoring one touchdown. As the half ended, defeat seemed certain for Moline. However, early in the last half Esterdahl received a punt and skated and slid half the length of the field for a touchdown. Not long after this the Maroons scored another touchdown, this time on a pass, so Moline ended the season with a 12-6 victory.

Opening the season with but one week of practice, the inexperienced Moline five met East Moline and took a 16-9 defeat. The Maroons' play was ragged throughout the game and they showed their lack of practice.

The following week-end, playing before an almost filled Field House, the Maroons met Geneseo in the first Big Nine contest. The game was a thriller from beginning eo end, Wirken scoring the deciding field goal in the last minute of the game.

Moline journeyed to Peoria to meet Central of that city for the next game. The Maroons played a great game and had little difficulty in downing their opponents.

La Salle-Peru furnished the opposition in the next game played at La Salle. Both teams played an evenly matched game but the Peruvians managed to squeeze out a one-point victory.

On New Year's Eve, Moline met Davenport in one of the hardest fought and most thrilling games of the year. Moline came up from behind to knot the score at the end of the regular playing time, and it was only in the second of two overtime periods that the Red and Blue were able to nose out the Maroons. Dick Pearson was the leading scorer of both teams.

Moline next met Kewanee in the second conference game. The Maroons played hard but luck seemed to desert them and they were forced to drop the game to their hosts.

Orion came down to Moline the following week-end and gave the Maroons a brisk battle throughout the game, but superiority in connecting with the hoop won the game for Moline.

Meeting East Moline in the return game at East Moline, Moline played another hard and exciting game. As the game neared its close East Moline had a one point lead. The Orange and Black unknowingly took their fourth time out with the result that Moline had a free throw and made it, tying the score. In the extra period Moline outclassed their downhearted opponents and won their second conference victory.

Leading their opponents at the end of the third quarter Moline was unable to hold Monmouth in the last part of the game with the result that Moline received its second Big Nine setback.

Meeting Rock Island on the Field House floor the Maroons showed great strength and had no trouble in trouncing the Islanders.

Moline next went to Orion to play a return game with the high school of that town. The Maroons did not have much difficulty in downing their small-town opponents. Pearson was again the leading scorer.

The Field House was the scene of the conference battle with Princeton which Moline easily won. The Maroons clicked perfectly, both the passing and shooting being very good. A safe lead was obtained early in the game and the Maroons managed to hold it throughout the contest.

The Maroons next went to Galesburg to meet the undefeated 'Burgers. Moline fought hard but the well polished attack of Galesburg was too much for the Maroons and they took their third conference loss.

Canton furnished the opposition in the next tilt played here, also a conference game. Both teams were quite evenly matched and a bitter struggle followed. The Cantonians' superior passing was one of the main factors leading to the Moline defeat.

Determined to raise themselves in the Big Nine standings in their last conference game Moline set about to trounce Rock Island. The Islanders played brilliantly throughout the first quarter and the scores were even. Early in the second period, however, the Maroons started on the scoring spree that did not stop until the final gun sounded. This win gave Moline a 500 rating and a fifth place in the final Big Nine standing.

Seeking vengeance for their narrow defeat at the hands of Davenport earlier in the season, the Maroons crossed the river to Davenport and after a hard and very close contest they emerged with a two-point margin of victory.

The following evening the rejuvenated Maroons entertained Galesburg. The Moline five seemed to be filled with a spirit that couldn't be downed with the result that they sent the surprised 'Burgers home with their second defeat of the season.

Then came the District Tournament with Orion, Moline's jinx, as the first opponent. The Maroons entered the contest determined to break the jinx. The result was that from the very beginning they took their opponents off their feet and maintained a large lead throughout the game, winning 38-11.

The plucky Hillsdale five furnished the opposition in the next game. Though they tried hard, they were no match for the strong Maroons and could not stop their speedy passing attack. Moline won 50-17.

The Maroons proceeded to the semi-finals and met the rangy Port Byron quintet. From the beginning, Moline's play was ragged and they missed many pot shots. Until the last part of the last quarter the score was knotted, but flashy last minute attack brought several field goals and the Maroons won 25-16.

East Moline, the other finalist, had defeated Rock Island in the first round and they were conceded a good chance of winning. Spirit ran high throughout the game but both teams seemed tired and the play was not as good as had been expected. The Maroons outplayed and outscored their opponents throughout the game and won 20-11.

The following week-end the Sectional Tournament was played off at Moline. On the first night's program Sterling nosed out Polo 27-25 in four overtime periods. In the other game of the evening Kewanee slaughtered Milledgeville 37-15. The following evening Moline had little difficulty in routing Princeton 30-22, while Galesburg eked out an 18-17 victory over Freeport.

In the first game of the semi-finals, Kewanee eliminated Sterling 22-19, while the second games brought Moline together with Galesburg. From the very beginning the 'Burgers jumped into the lead, their fast passing bewildering the Maroons while their accurate shooting was marvelous. The last quarter resolved itself into a football game in which four players left the floor for roughness. The final count was 37-23.

In the consolation game the Maroons won a 37-15 victory over Sterling the reserves playing all but the last few minutes of the game. In the final game Galesburg slaughtered Kewanee to the tune of 40-16. The 'Burgers later won second in the State tourney.

THE 1930 TRACK SEASON

Due to the fact that there were eleven lettermen back and several outstanding performers, the 1930 Moline track team boasted of having one of the hardest schedules and one of the most successful teams in the history of the school. The Maroons, during this successful season, captured the Rock Island Dual meet, the Big Nine, the Black Hawk sectional meet, placed second in the Quad City affair and third in the Bradley invitational meet. They also collected a number of points in the Iowa invitational meet, but lost to Davenport in a dual meet by a small margin.

Moline's first competition of the year was the Iowa University Invitational. Considering the keen competition, the Maroons did well. Schools from the largest cities in Iowa, Illinois, and Indiana were represented. Wayne Fawks and Don Irwin took fourth in the mile run and the half mile run respectively. "Kenny" Esterdahl tied for third in the pole vault, and Verne Swanson tied for first in the high jump.

The next meet, which was a dual meet with Davenport, was one of the most exciting meets of the year. Davenport barely pulled through to win with a score of 74 to 70. The Maroons took nine first places out of a possible fourteen. Wellington, of Davenport, was high point man with fourteen points. The greatest feat accomplished in the afternoon was the breaking of the javelin records of Moline High School and the meet by "Cully" Ekstrom. He heaved the spear 163 feet. Esterdahl and Cowley also received high honors in field and track events respectively.

The dual meet with Rock Island was a one-sided victory for Moline, with a score of 95-41. The Maroons collected 12 first places, 9 seconds, and 7 thirds. Cowley and Swanson tied for second honors of the meet. Cowley won first in the 50 and 100 yard dashes, and Swanson took the high jump and javelin throw.

The next day after their overwhelming victory over Rock Island the Maroon thinly-clads journeyed to Peoria to take part in the Bradley invitational meet. Moline qualified men in every event they entered, and came through brilliantly to capture third in the meet. Swanson, breaking his own high jump record, won first in that event. Esterdahl tied for first with two others in the pole vault. Irwin captured third in the half mile run. Ekstrom and Wood collected points by winning third and fourth in the javelin heave. In this meet the Moline mile relay team broke the local record in that event. Fawks, McConoughey, Lassuy, and Irwin made up the team.

The annual Big Nine meet, held at Rock Island, was won by Moline with a total of 72½ points. Galesburg was second with 55½ points. Ekstrom sailed the spear 172 feet 10 inches to break his own record and the Big Nine record. The Maroons captured six first places, Cowley in the century, "Estey" in the pole vault, Swanson in the high jump, Rogenski in the shot put, and Irwin in the half mile. Owing to the balmy weather four records were broken in the meet.

The team kept up the old custom and won the Black Hawk sectional meet. Nine records were broken, in spite of the fact that rain visited the field about an hour before the starting gun. Coach Senneff's men took four first places, three of which were new records. Ekstrom again broke the meet record in the javelin, Rogenski shattered the existing record in the discus, and Swanson left the old record in the high jump on the dark list. Andrews added the other first place to the Maroons' final score. Having won here, the Maroons invaded the state meet at Urbana, but met with too much competition. Swanson, however, tied for second in the high jump. This was the first time in many years that Moline has even qualified a man at the State meet. Ekstrom, Esterdahl, and Irwin were nosed out by a scant margin in their events.

The 1930 track season for the school was wound up by taking second in the annual Quad-City meet at Davenport. The Red and Blue ran away with the meet by collecting 103½ points. The Senneff-men followed close behind with 91 points. As in the dual meet it was Davenport's second and third places which won the meet. The Maroons' six first places were copped by Swanson in the high jump, Irwin in the half mile, Esterdahl in the pole vault, Rogenski in the discus and shot put, and Delaplain in the javelin. Davenport well deserved the victory and proved the best of the four teams entered.

Coaches Senneff and Bean experimented this year by sending their team to a couple of large invitational meets, and the results were successful. Many stars from the 1930 team will be missed in forming the 1931 team. However, a number of the 1930 team will return to the 1931 squad, which hopes to make a better showing in the State meet and to seek revenge for the 1930 Davenport defeats.

KENNETH GIBSON

MOLINE CHEER-LEADERS

Early last fall the Athletic Board chose Jules Rupiper and Kenneth Gibson as cheer-leaders. All through the football season both boys led the cheering and kept up the team's spirit as well as the loyalty of the crowd. However, at the beginning of the basketball season Gibson assumed sole responsibility and continued to fulfill his task throughout the remainder of the year.

Though the position of cheer-leader may seem rather unimportant, it is one that is very essential to the life of the school, and to the success of the athletic teams. Moline High School was very fortunate this year in having such good yell-masters.

1930 GOLF

The 1930 golf team was the second one sponsored by the Athletic Association. The team enjoyed a fairly successful season, winning three matches and losing one.

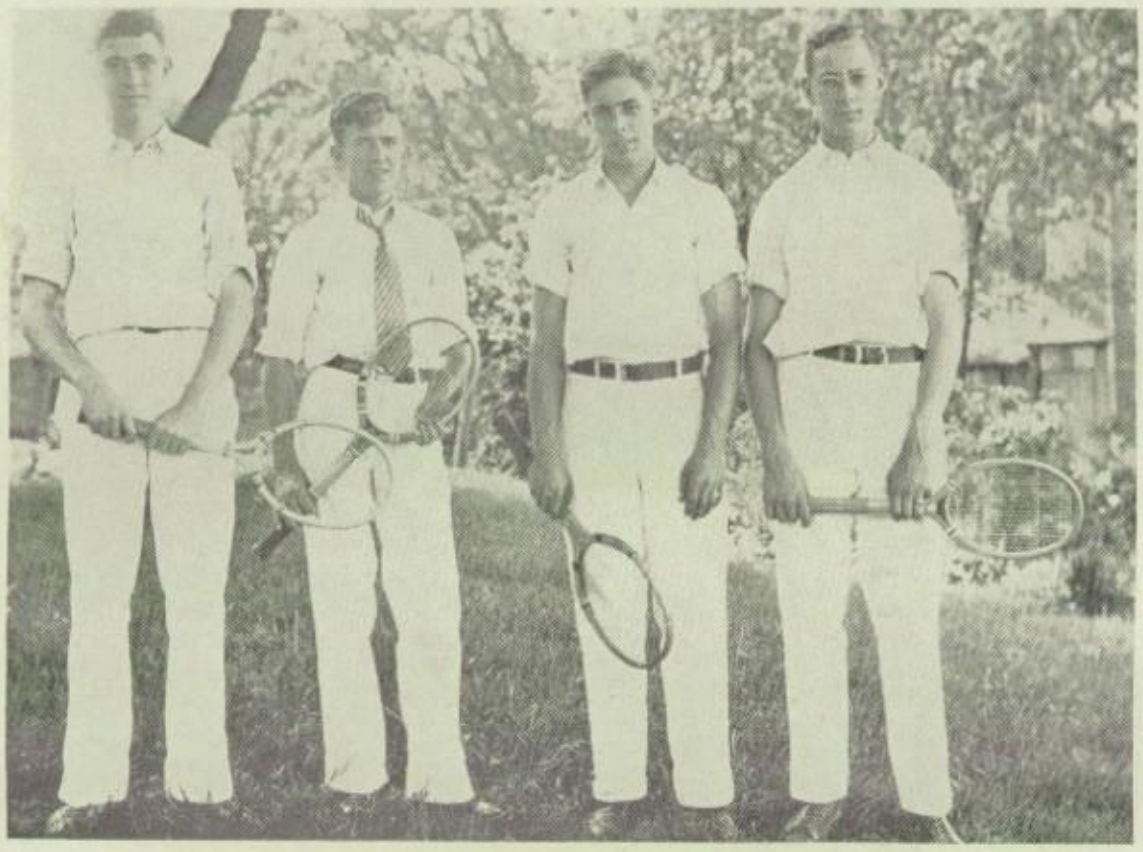
The season was opened with a victory of 6-1 over Rock Island by the Maroons on May 27. A victory was again gained over Rock Island in a meet at the Saukie course on May 29.

Our team journeyed to Muscatine on April 6, only to suffer a 9-3 defeat.

In the two contests with Clinton, the one played at Moline was lost by our team 7-4, while the other at Clinton was won 7-2.

Though several were sent to the state meet, competition was too keen and they failed to place.

Under the direction of Mr. Dolph Lain the golf team has enjoyed a good year and, needless to say, the golf interest is growing and this alone should result in a good team next year.



KIRBY DOUGLASS DARLING HALLBERG

1930 TENNIS REVIEW

The Athletic Association sponsored a tennis team last year and, considering its newness, it met with fair success. Mr. Holmgren acted as coach.

With little practice, the team opened the season by playing in the Sectional Tournament at Rock Island, May 3. Kirby was runner-up in the singles, while Hallberg and Darling were runners-up in doubles. Dob Douglass lost a hard singles match in the semi-finals.

The runners-up in both singles and doubles at the Sectional were eligible to complete in the State Meet at Champaign, May 16 and 17.Moline was represented in singles by Kirby, who was beaten in the second round, and Darling and Hallberg in doubles who were eliminated in the first round.

On May 27, Moline met Rock Island and lost 3-1. Moline met Rock Island again on June 7, and this time won 3-2.

Although Kirby will be the only one back this year, the tennis interest is growing, and with a larger schedule, the team should have a successful season.

HEAVYWEIGHT CLASS BASKETBALL

The purpose of the inter-class basketball competition is to prepare boys for the varsity team and to give the coaches a chance to see their prospective players in action. Each year there are held two tournaments, one for the lightweights and one for the heavyweights. At the end of the contests an all-tournament team is chosen for each division.

In the heavyweight tournament the Seniors proved victorious by defeating the Juniors in the finals. The outcome of this game was a surprise for the Juniors were considered favorites, having won a game previously from the Seniors by a one-point margin.

An outline of the games in order follows: In the upper bracket of the preliminaries the Seniors won from the Sophomores 18-8. In the lower bracket the Juniors defeated the Freshmen 32-4.

The quarter-finals were won by the Juniors and the Sophomores, the Juniors defeating the Seniors 23-22, and the Sophomores winning from the Freshmen 23-6. The semi-finals were a walk-away for the upper classmen who overcame the Sophomores 26-5.

As a result of their victory over the Sophomores in the semi-finals, the Seniors entered the finals with determination to get revenge for their previous defeat at the beginning of the tournament. Not once in the championship game did the Juniors threaten the champions. Good basketball was displayed all through the game and the Seniors carried on the old custom of winning the Inter-class Heavyweight Basketball Tournament.

The all-tournament team for the heavyweight division as chosen by the referees was: Zelnio '32, rf; Johnson '31, lf; Ed. B. Anderson '33, c; Leipold '32, rg; and Jones '31, lg.

1931

Rear Row—Ohlsen, Rosborough, Coach; Van Brunt, Dustin.

1934

Rear Row—Van Brunt, Anderson, Rehman, Du Cray, Coach.

Front Row—Wallace, Motechicus, Berglund, Manthey, Evans.

LIGHTWEIGHT CLASS BASKETBALL

All through the tournament, both in the heavyweight and lightweight divisions, better basketball was displayed than in former years. Because of this, more enthusiasm was shown by the students and the games were better attended. A great number of unnecessary fouls marred the greater success of the tournament, but in spite of this there was more basketball and less wild throwing of the ball.

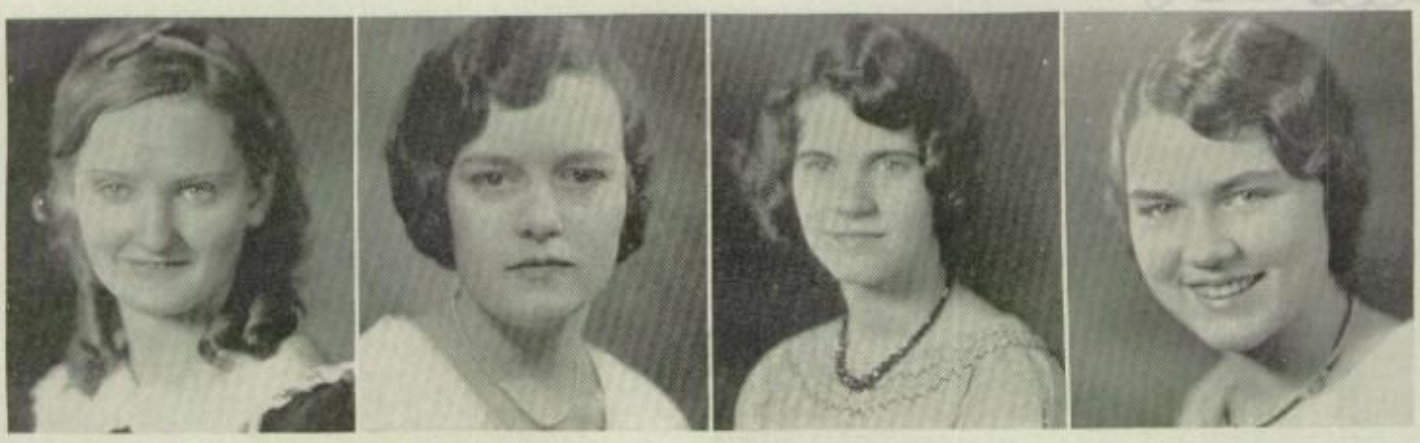
The lightweight tournament winner was the Junior team. This time the Seniors were counted upon as the winners, but fate took its course and the Seniors were downed in the finals during the last minute of play.

A complete summary of the lightweight tournament follows: In the preliminaries the Juniors defeated the Sophomores 21-6, and the Seniors won from the Freshmen 15-10 after a hard game in which the Freshmen were ahead several times. The quarter finals brought both the Seniors and the Freshmen again into the limelight. The Seniors conquered the Juniors 11-9, and the Freshmen defeated the Sophomores 18-12.

In the semi-finals the wonder Freshman team was pulled from its lofty drive for the championship by the Juniors, who overcame them 18-11. In the finals the Juniors and Seniors met in the most exciting game of the tournament. The game was finally decided by a short field goal just before the gun went off and the Juniors were proclaimed victorious by the score 11-9.

Due to the fact that the Freshmen and Sophomores presented stellar teams, the tournaments were more interesting than usual. Next year these two teams should give the Juniors a run for laurel honors.

The lightweight all-tournament team chosen consisted of Rupiper '32, rf; Berglund '34, lf; Ohlsen '31. c; Andrews '31, rg; and Anderson '34, lg.



BLACK HARDIN COULTAS BRADFORD

GIRLS' ATHLETIC ASSOCIATION

Marjorie Black ..... *President*
Dorothy Hardin ..... *Vice-President*
Betty Coultas ..... *Secretary*
June Bradford ..... *Treasurer*

One of the newest yet most important organizations of the school, the Girls' Athletic Association, was organized in September, 1929, under the direction of Miss McElroy. Any girl of the school is eligible for membership and may take part in inter-class basketball, volley ball, captain ball, tennis, and the other activities of the club. A "point" system enables the girls to win the G. A. A. bar or letter, these points being awarded to all who have fulfilled the requirements of the club. Upon winning 100 points a bar is awarded, when five bars have been won a G. A. A. pin is given, and upon winning ten bars an "M" is received. The awards are given at the close of the various sports seasons. Sports activities of each class are supervised by a captain elected from the class. Meetings of the club are held the second Thursday of each month.

THE GIRLS' TENNIS TOURNAMENT

The Girls' Tennis Tournament, sponsored by the Girls' Athletic Association, was announced in the Line O' Type, April 28, 1930, and in a week about forty entries had been received by Wanda Van Brunt, the manager.

The champions of the year before who entered to defend their titles were Betty Sohner, '30, Wanda Van Brunt, '31, and Ann Eilene Swanson, '32.

The girls were matched, and in two weeks most of the games had been played. Two sets out of three determined the winner of each match and champions from each class were finally chosen.

Betty Sohner again won the championship of the '30's, and Wanda Van Brunt of the '31's, by outpointing several contestants from each class. The '32 title was won by Eleanor Erzinger and the '33 championship went to Mary Francis Bozeman.

When each class champion was determined, the finals were held at Short Hills, where a series of hard-fought matches were played off. Eleanor Erzinger defeated Mary Francis Bozeman and Betty Sohner defeated Wanda Van Brunt. Then in a hard-fought battle Betty Sohner bowed to Eleanor Erzinger who was proclaimed champion of the girls' tennis tournament. Eleanor was awarded a silver bar by the Girls' Athletic Association.

VOLLEY BALL

For the second year an inter-class volley ball tournament was sponsored by the Girls' Athletic Association. The tournament last fall was interesting from beginning to end and was filled with many upsets.

The first game of the tournament, between the Sophomores and the Freshmen, resulted in a 15-13 victory for the 33's. In the next contest the Seniors lost to the Sophs by the one-sided score of 15-2. The following afternoon the 31's were eliminated from the tournament by the 32's and were followed to the depths of defeat by the Sophomores who were downed by both the 32's and the 34's. On the next day the championship game between the Juniors and Freshmen was played off, and after the dust had cleared and the shouting died down the 32's were in possession of the long end of a 15-11 score. This was the second year that the 32's won the championship but, if the 34's play next year as they did the recent tournament, they will give the 32's a good run for the title.

Volley ball, though it is still quite new in the school, has become a leading girls' sport and is rapidly gaining in popularity and prominence.

GIRLS' BASKETBALL

This was the second year that girls' inter-class basketball was played with girls' rules and there was a marked improvement in the playing. Girls' basketball is becoming more interesting each year and this year was no exception. Larger crowds than ever viewed the games and in the final game between the Juniors and Seniors, excitement ran wild.

The first game of the tournament was a close contest between the 31's and the 32's in which the Juniors emerged victorious 20-19. In the second contest of the tournament, the 33's showed what a fast team could do and defeated the Freshmen 33-11. Having won their first game, the 32's entered into their contest with the 33's the next day determined to win, and when the whistle sounded the last minute of play the scoreboard showed a victory for the 32's by the small margin of 21-20. The 31's came back nobly in their next game to overcome the 34's with a score of 29-18. The next day the 31's again won a victory. This time it was over the 33's by another 29-18 score. The 32's also won their game with the 34's by the score of 24-5.

The final contest was between the 32's and the 31's for the championship, which was the most exciting and intense game of the tournament. The score was close throughout the game but the 32's snatched the victory with a final effort and a score of 15-14 in their favor.

MULTIPLE SPINDLE DRILLERS,
BORERS, COUNTERBORERS, REAMERS, LAPPERS,
TAPPERS, UNIVERSAL JOINT MACHINES

THE people of Moline have always supported their schools and all activities of the schools with money and with personal interest. The early introduction of physical training, kindergartens, manual arts work, home economics, the commercial branches, and visual education bears witness to this fact. The establishing of the junior-high school system is a very recent manifestation of this desire on the part of the people of Moline that the young people of Moline shall have the best possible school opportunities. The John Deere Junior High School Building, beautiful and complete in its equipment for the work of instruction, fittingly embodies this spirit.

To you of the graduating classes, who have enjoyed these opportunities, we confidently look to advance in every way the interests of our city as you go from school into the business, industrial and professional life of this community. And we ask you to provide in your turn similar advantages for those who succeed you in these schools.

A PENNY IS A FORTUNE

—When invested in 3c Electricity.

Talk about buying Power!

Nowhere else will a penny buy as much. ONE CENT will buy enough Electricity to operate the following electrical appliances the length of time given:

Washing Machine	2 Hrs.	Electric Fan	6 Hrs.
Hoover Cleaner	2 Hrs.	25-watt Lamp	14 Hrs.
Toaster	35 Minutes	Heating Pad	7 Hrs.
Radio	3 Hrs.	G. E. Refrig.	1 Hr. 12 Min.
50-watt Lamp	7 Hrs.	Curling Iron	17 Hrs.

Thus, with 3c Electricity, it's hard to spend more than one or two cents when you snap on a switch . . . that's why we say, "Let your Pennies pay your Electric bill." No money you spend buys more value. 3c Electricity is available after the consumption in any month exceeds the first two blocks shown on your light bill.

More Than a Clerk Was Awakened

NEARLY every night it happened.

* * *

The young clerk stirred restlessly in his bed in the general store of the pioneer village, sat upright and peered through the window.

He could hear familiar voices of the night . . . the scream of a panther from somewhere up the river . . . the startled barking of Indian dogs on the nearby reservation . . . but that which had awakened him was more insistent.

It was the rythmic "whang, whang, whang!" of a hammer on an anvil.

Through the window of the shop across the street, outlined against the dim light within, the clerk could see the blacksmith toiling at the anvil—a giant of a man, swinging a heavy hammer unceasingly.

"What a man for work!" exclaimed the clerk.

All around the village, folks were talking about the blacksmith—how he had come from Vermont with only $73, and a kit of tools; how he had built a forge of clay and rock the first day of his arrival, and repaired the broken pitman shaft that was delaying important work at the saw mill; how he had stepped in and done all the iron work on the new grist mill, and how he was "working himself to death" over his new ideas about plows.

Many folks called this blacksmith a visionary, but the young clerk watched him admiringly at his night vigil.

Years later, after he, himself, had become a prominent manufacturer, this former clerk wrote:

"John Deere in his early experiences would make a plow and then go out to a prairie farm and give it a trial.

"If the plow did not work exactly to suit him, he would bring it back, take it to pieces, change the shape of the moldboard and try it out again.

"I would hear him hammering at ten o'clock at night when I went to bed at the store, and at four o'clock in the morning his hammering would wake me up; he had such indomitable determination to work out successfully what he had in mind."

* * *

More than a clerk was awakened by the zeal of John Deere as he worked, regardless of the hour, perfecting the plow which he had invented. That which came from the hammering on his anvil awakened the agricultural wealth of a nation—the wealth which awaited the coming of the steel plow—and founded the great organization which today builds and sells John Deere quality equipment for practically every farming operation.
